

Internal & External Caliper Gages

▲ 54-554-611

▲ 54-554-711

Direct reading electronic calipers for quick, accurate measurements of internal/external dimensions.

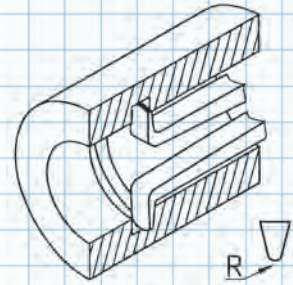

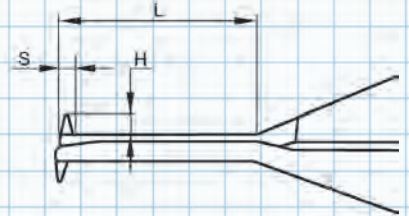

Features:

- Easy to hold.
- RS232 output.
- Rugged housing.
- Large, LCD display.
- Resolution: .0005"/.01mm.
- Accuracy: $\pm .0008"/\pm .02\text{mm}$.
- Preset capability.
- Direct inch/metric conversion.
- Absolute/incremental measurements
- Includes case.
