Advanced measuring systems designed for fast, accurate measurements and inspection, combining precision optics with intuitive software.

## TVM Series -15%

Field of view measuring system providing rapid and highly accurate measurements with a simple click of the mouse.

Promo code: EOY2024

### Terms and conditions

- The promotion runs from 11/20/2024 to 1/20/2025. Orders must be placed by 11:59 pm EST on Monday, January 20, 2025.
- Geographic limitations may apply. Offers are subject to availability and only in participating regions.
- The promotion applies to sales of complete systems. A system is defined by a head, stand/stage, and lens. Power supply and controller/software may also be required for a complete system. OPTA, EVO Cam ICON, Swift PRO EDGE and Lynx EVO fixed magnification systems are excluded from this offer.
- Please mention the relevant offer and promotion, code **(EOY2024)** in all correspondences and when placing an order.
- Prices quoted, FOB New Milford, CT
- Vision Engineering reserves the right to alter or amend these terms and conditions and any other conditions applicable to an offer or promotion at any time.
- Promotion cannot be used in conjunction with any other promotion or special pricing.
- All systems sold through a Vision Engineering Distributor must be drop shipped and the discount passed onto the end user.
